

LESSON PLAN OF MS SEEMA SHARMA, ASSISTANT PROFESSOR, MATHEMATICS

SESSION 2020-21

BCA-II

- August:** Iterative methods, Bisection method, Regula Falsi method, secant method
- September:** Newton Raphson Method, Iteration method, Discussion of Convergence, Bairstows Method
- October:** Gauss Elimination method, gauss Seidal Method Euler method
- November:** Euler Modified method , Taylor Series Method , Runga Kutta method
